EXPERIENCE  
LUXURY

UPDATE COLLECTION VOL. 2.2

[www.alqonbathware.com](http://www.alqonbathware.com)

We, Chaudhary Metacrafts India are a Delhi, India based manufacturing organization which is the well-acknowledged name in the field of Bathroom & Kitchen Faucets Since 2000. The untiring efforts we have put over the years, enable us to achieve a noted position in the national market. Our rich experience is one of the major reasons that most of the firms want to do business with us. By supplying excellent quality and durable bathroom & kitchen fittings like Basin Mixers, Single Lever Mixers, Pillar Cock Taps, Sink mixers, Wall Mixer, etc. we have become the first choice of various clients.

Marketed under the brand name **ALQON**, our offered range is affordable and well known for its rust-resistant surface and robust construction. Our products are made using advanced tools & equipments and top-grade materials & components which enhancing the look of homes, offices, restaurants, hotels, shopping malls, airports and other places as well. In addition to this, we are backed by a highly dedicated team that supports us in maintaining the highest quality standards of our range and deliver it to our patrons' on time. Our adroit quality controllers examine the quality of our fittings and accessories. This is done by conducting a series of tests to ensure their strength, flawlessness, and durability.

This foundation of quality extends throughout all facets of the organization, including our plants, customer service centers, and all of our associates.

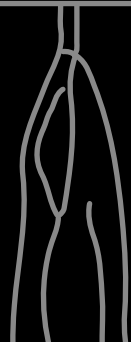

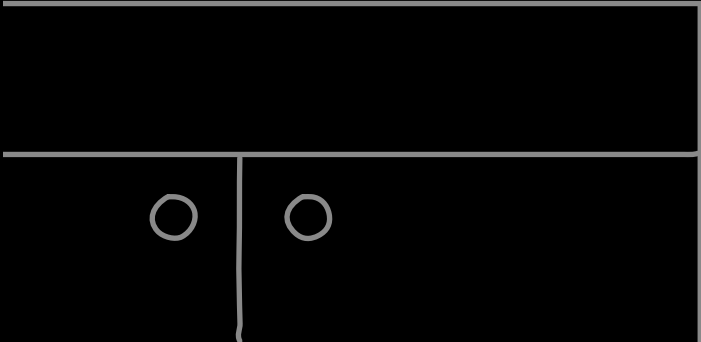

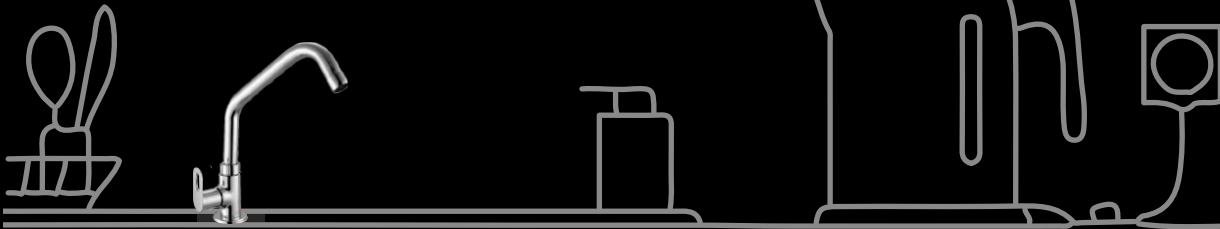

This brochure represents creative passion and our commitment to bring only new and unique products to market. It presents the hallmarks of our products and ultimately, reinforces our dedication to creating truly delightful consumer experiences.

## CERTIFICATIONS

# ALQON

BATHWARE

With elegant and exclusive design collection in different size that are ready to suit any bath space. Transform your bath space into gorgeous looks and become the center of attraction.

## OUR FAUCET SWING

### MANUFACTURING PROCESS

The manufacturing of each product is a labor-intensive process. Each undergoes numerous individual stages and quality controls before it leave out the factory.

**1 MOULD MAKING BY VMC MACHINE**  
We makes Die/Mould itself by using of high class VMC Machine to get a beautiful shape and size.

## OUR FAUCET SWING

### MANUFACTURING PROCESS

We retain control over every single stage, from the casting of the raw materials through to the electroplating and the finished accessories, Here, highly accurate computer controlled production steps alternate with careful hand craftsmanship. Ultimately, the decision whether the finished accessories meets our quality Standards is still made by a real person with a wealth of experience.

**5 GRINDING & EVERY SINGLE PIECE CHECKING**  
We grind the faucet to give smooth finish and check every single piece for our satisfaction.

### SEMI AUTOMATIC CORE SHOOTER MACHINE

We uses semi Automatic We shooter Machine for better results.

**2**

**6 THREE LAYERS ELECTRO PLATING**  
Our products go through digitally controlled three layers electro plating plant for extra shiny look of our product.

**6**

**3 CASTING BY ELECTRIC INDUCTION FURNACE**  
We uses ingots and Honey Brass as a raw material which comes with a fixed percentage of copper and lead unlike others where scrap is mixed with zinc in an uncontrolled environment. we have an in house electric furnace with thermostatic control.

**3**

### ASSEMBLING UNIT & WATER FLOW TESTING

After casting, machining and electroplating, products are ready to assembled. Our assembling unit is perfect for their work. Every product first assembled, checked and go through a high water flow testing.

**7**

### CNC LATH MACHINE & IMPORTED DOUBLE SPINDLE MACHINE

We uses CNC Lath Machine & Heavy duty imported double spindle machines for machining processes like Boring, Turning, Drilling,

**4**

### 8 LASER MARKING & PACKING

After all major testing, products are ready to market by Laser Printing Machine and packed. Now the product is ready to despatched.

**8**

# # WHY ALQON

## **100% MADE IN INDIA**

High quality construction and culture of materials to ensure a product made in the best way Products and Design 100 % made in India.

## **DOUBLE PLATING**

All ALQON faucets are Double Plate, which are characterized by a double chrome plating and double nickel plating to grant the product a long life.

## **EASY TO ASSEMBLE**

The installation of the product is easy thanks to clear instruction included.

## **SOFT MOVE & LONG LIFE**

Special Cartridges to ensure smooth movement of single lever faucet. Cartridges and spindles tested for over 5 lakh cycles, assuring long life of faucet.

## **ALQON SILKMOVE**

Smoothest handling for effortless precision and ultimate comfort for a lifetime.

## **ALQON STARLIGHT**

Made-to-last surfaces ranging from precious matt to shiny like a diamond.

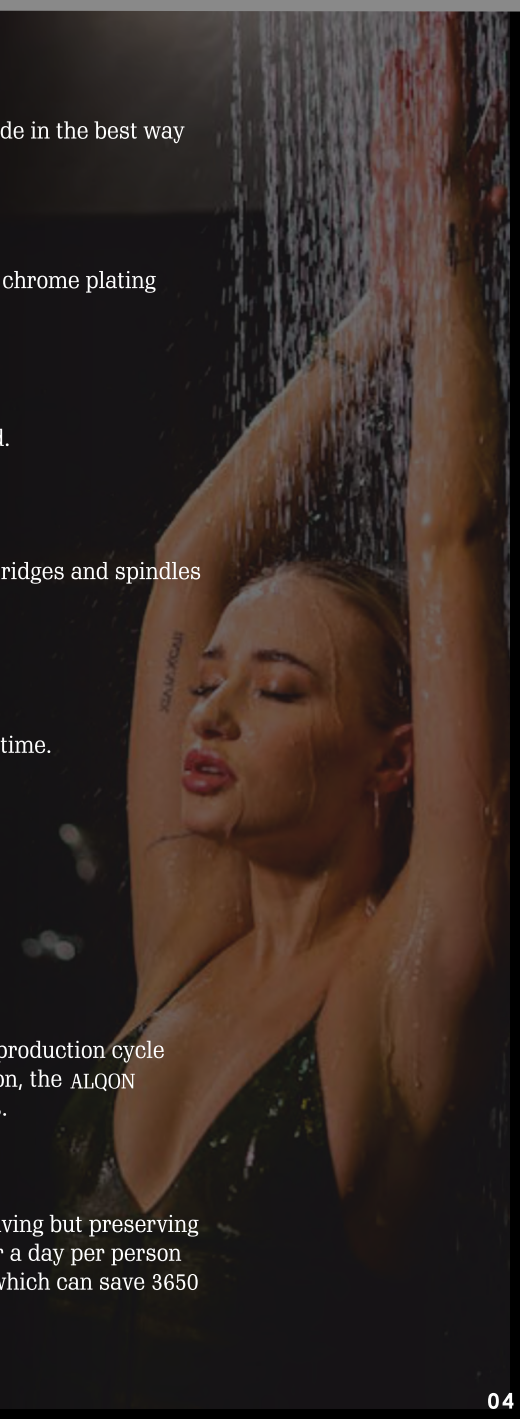

## **WARRANTY**

ALQON products are subjected to strict controls during every step of the production cycle to provide the best guarantees on the quality of the product. For this reason, the ALQON taps are warranted against manufacturing defects for a period of 10 years.

## **WATER SAVING UP TO 40%**

The ALQON products are studied in order to allow the maximum water saving but preserving the comfort and usability. With its ranges, ALQON saves 10 liters of water a day per person (compared with 25 liters on average from a conventional tap). A solution which can save 3650 liters of water per person each year.

## PVD

(Physical Vapour Deposition)

It is a treatment based on vacuum deposition of thin films. It's a refined, durable covering which represents the true plus points of the product and significantly reduces the bacterial load, making the surface hygienic and easy to clean. It is also abrasion resistant and offers colour fastness.

To meet the aesthetic tastes of everyone is our mission at KRAAN. In order to offer possibility of choosing among various diversified colours and finishes in various collections, we give a chance to choose among the evergreen chrome plated and 3 different PVD finishes.
